## Online Registration Services

- **Online Registration Services are available at _NO COST_ to your event.**
- We strongly encourage all races utilizing our timing services to use our event registration platform.
- If you choose to use the ChronoTrack Live Racecasting Services you will also use this registration platform.

  **Race directors who choose not to use online registration must provide an Excel-formatted entrant data form 48 hours before race numbers are to be picked up or delivered.**

## ChronoTrack Live Racecasting Services

A fully integrated multimedia, registration and scoring platform that enhances the participant experience. Racecasting helps build exposure and impressions by enabling remote spectators and fans to engage with your event and follow friends as they compete. Services include:

- Interactive Individualized Online Results Interface
  - A searchable interface where athletes can find their photography, video and times from their event.
  - This page background is customizable with race and/or sponsor logos.
- Dynamic Bib Assignment
  - Eliminates pre-race day assigning and labeling of bibs, long lines a packet pickup while volunteers search through labeled bibs.
  - Allows online registration to be kept open up to the start of the event.
- Registration
  - Registration kiosks at packet pickup and on race day eliminating the hassle of paper forms.

## Timing and Results Processing Fees

- **Base Timing Fee - $900 OR $4.00 per runner (whichever is greater).** Minimum covers disposable electronic timing chip. No additional fees for uncollected chips, fewer volunteers needed race day, little-to-no back-up at finish area.
